## Bioscience & Engineering: An International Journal (BIOEJ)

### Scope & Topics

Bioscience & Engineering: An International Journal (BIOEJ) is a peer-reviewed, open access journal that addresses the impacts and challenges of Bioscience, Bio-engineering and Applications. The journal documents practical and theoretical results which make a fundamental contribution for the development of Bioscience & Engineering.

### Topics of Interest

- Biochemical Engineering
- Biochemistry
- Bioinformatics
- Health Informatics
- Biomedicine

ISSN: 2349-848x

## International Journal of Advances in Biology (IJAB)

### Scope & Topics

International Journal of Advances in Biology (IJAB) is a peer-reviewed, open access journal, addresses the impacts and challenges of Biology. The journal documents practical and theoretical results which make a fundamental contribution for the development of Biological sciences and applications.

### Topics of Interest

- Biological Clocks
- Bioinformatics and Biophysics
- Plant Biology
- Systematic
- Systems Biology

ISSN: 2394-0808

## International Journal of Biomedical Engineering and Science (IJBES)

### Scope & Topics

International Journal of Biomedical Engineering and Science (IJBES) is a peer-reviewed, open access which focuses on the latest advances, applications and future trends in the area of Biomedical Engineering. The journal documents practical and theoretical results which make a fundamental contribution for the development of Biomedical Engineering and science.

### Topics of Interest

- Bioinstrumentation
- Biomaterials
- Bionanotechnology
- Bionics
- Biophysics

## Agricultural Science: An International journal (AGRIJ)

### Scope & Topics

Agricultural Science: An International journal (AGRIJ) is a quarterly open access peer-reviewed journal that publishes articles which contribute new results in all areas of the Agricultural Science and related fields. The journal focuses on all technical and practical aspects of Agricultural Science Research, applications and Implementation techniques.

### Topics of Interest

- Agro ecosystem
- Fisheries
- Forestry
- Horticulture
- Livestock
